STONEY STANTON VILLAGE HALL HIRE

The sale of alcohol is now permitted in the village hall via temporary event notice from Blaby District Council.

The Hall costs £12.50 per hour for Commercial bookings, Local Community Groups & Non-Profit Groups £11.00 per hour and Private Party Hire by Stoney Stanton Residents £11.00 per hour. Hall measurements are 12.24m long, 6.65m wide & 4.14m high to window tops. (This will accommodate and indoor bouncy castle).

Please email the Clerk for availability.

GOODBYE & THANK YOU

to Sheila Scott - Blaby District Councillor who has been ward member for the past 10 years. Thank you to Sheila for her help and support to the people of Stoney Stanton and wish her well for the future.

Would you like to come along to one of our knit (crochet) & natter evenings?

We are a friendly little group, still meeting in the library on Tuesday evenings on the 1st and 3rd Tuesday of each month. We always have tea or coffee on offer and homemade cake!

We've decided to include some 'make it yourself' evenings in the future, at the April meeting we will be making gift bags. Prices will be £3 for each kit plus £1.50 to cover the cost of hiring the library and any refreshments.

We will be offering other crafts at future meetings, so if you would be interested in joining us, would you please let Marilyn Langley know by contacting her on 0785 1742 439, either with a text or voicemail, or emailing her at mal_langley@hotmail.com.

We do hope this will be of interest to some and look forward to seeing you at our next meeting: Tuesday April 21st 7pm-8.30pm in Stoney Stanton Community Library.

NEW EDITOR NEEDED

The Parish Council are seeking someone to take over the production of this monthly newsletter. It will involve liaising with local groups and the Parish Clerk for copy, design and preparation for print, approval of proof, delivery and counting into 22 distribution parcels, delivery to several village locations for our volunteers to distribute village wide. Liaison with the volunteers will also be required on occasions. This is a voluntary role and will not be paid.

The role sounds hefty but once you settle in will only take 2 or 3 days a month. It would suit someone who has some editorial and design-to-print skills and the current editor is happy to work alongside the new volunteer for a smooth transition.

If you are interested or would like more details please contact the Clerk to the Parish Council on the details below.

Stoney Stanton
CARNIVAL

FUN RUN OR WALK

Sunday 17th May 2020

At Stoney Stanton War Memorial Playing Fields
Registration from 9.30am
Run to start at 10.00am

Approximate distance: 3 miles

SAME OLD PROBLEM!

Whilst we appreciate that most dog owners are conscientious

in clearing up after their pooches, there are once again a significant number not doing so, especially noticeable along the Abbott Drive estate path. Several villagers regularly pick up bags full of other people's dog mess.

If you walk a dog anywhere in the village please keep an eye on it for when it poops and clear up afterwards. It's not only antisocial to leave it for others but unhygienic and potentially dangerous to children.

We have had several really windy weekends and with our bin collection on a Monday it can be a challenge to keep all the rubbish in your bin. Please consider putting your bin out early Monday morning

(before 7am) if you are able or making sure it's not overfull if not to prevent rubbish blowing all over the place. Put your rubbish in bags before you put it in your bin. This will stop waste from blowing out if the lid blows open.

COMMUNITY CONSULTATION

You told us about:

Drug use and anti-social behaviour around the area

of St. Michael's Court, Stoney Stanton.

What we did:

A community protection notice has been issued to the main perpetrator and also community protection warning notices issued to a further two people.

What is a community protection notice?

A Community Protection Notice (CPN) is aimed to prevent unreasonable behaviour that is having a negative impact on the local community's quality of life.

Any person aged 16 years or over can be issued with a notice, whether it is an individual or a business, and it will require the behaviour to stop and if necessary reasonable steps to be taken to ensure it is not repeated in the future.

CPNs replace current measures including litter clearing, defacement removal and street litter control notices. Below are examples of when a CPN may be issued;

- when a dog is constantly escaping through a broken fence the owner could be issued a CPN requiring that the fence be fixed to avoid further escapes,
- a notice could be issued to a local shop/supermarket who are allowing litter to be deposited outside the property, or
- to prevent anti-social behaviour such as regularly playing loud music in a public area.

Police officers, local authorities and PCSOs can issue CPNs but before doing so they must consider two things; whether the conduct is having a detrimental effect on the community's quality of life and also, whether said conduct is considered unreasonable. The individual must be given a written warning beforehand stating that if the behaviour doesn't cease, the notice will be issued. The notice can be appealed in the Magistrates' Court within 21 days. Failure to comply is an offence and may result in a fine or a fixed penalty notice.

We are always happy to hear from you. Please email us at @leicestershire.pnn.police.uk or call 101.

And Finally...Keep up to date on the Parish Council website and facebook pages. The next PC meeting is Tuesday April 14th 7.30pm in the Community Library, all welcome. LITTER LINE: 07891 249023
