

STONEYSTANTON PARISH NEWS

September 2019

YOUR VILLAGE YOUR COUNCIL YOUR VOICE

MAKING A DIFFERENCE

A large team of more than 30 volunteers from CALOR GAS completed a week of jobs in Stoney Stanton in July.

The Parish Council wants to celebrate the difference volunteers make to the village and other community facilities and wants to thank the CALOR team all for their time, enthusiasm and commitment.

CALOR approached the Parish Council to offer their help and worked hard in the hot weather to complete a variety of jobs including:

- painting inside the pavilion at the playing fields
- litter picking
- painting of the railings at the Village Hall
- bench painting
- painting of the Long Street bus stop
- and ivy removal at Carey Hill Park.

CALOR are great supporters of the village, it's residents, the carnival and the Parish Council and we hope can work together in the future, to help continue improvements to the village and surrounding areas.

If you have any ideas for volunteering tasks, or would like to get involved, please email clerk@stoneystanton.org.uk

VILLAGE MEETING - POTENTIAL DEVELOPMENTS AFFECTING STONEY STANTON

There are to be two village meetings held in the Village Hall on **Sunday 1st September at 17:00 and 19:00**

for residents of the village to be briefed on the developments that have potential to impact our wonderful village. The meetings will be identical and will take the form of a presentation by the Parish Council followed by a question and answer opportunity.

As the Village Hall has a number capacity for safety, we would we ask that people let the Parish Council know if they would like to attend and at which time slot. Register either through info@stoneystanton.org, or via the sign-up sheet located in the library.

 THE ENFRANCHISE YOU DESERVE

CALOR

STANTON NEEDS A CAROLE

Carole Stokes from Barwell Infant School won an award in 2016 for her dedication as a School Crossing Patrol Warden.

When asked why she does it she replied:

"I adore Children and they love me back (and they do adore her). I enjoy the socialising and it's easy to fit other work around, the holidays are great and the weather is good most of the time."

Everyone in Barwell knows Carole and she is very community spirited and gets involved.

Manorfield School desperately needs a lollypop person/s as traffic through the village increases. Up until a few years ago they had two wonderful lollypoppers on Hinckley Road and Station Road.

Funding is still available for this role but as yet they have been unable to find anyone willing to fill the position.

This post is during term time - 38 weeks per year term time only.

Pay grade: £9.00 per hour

Hours of work: Usually 35 minutes in the morning and 35 minutes in the afternoon, this does vary from site to site depending on operational requirements.

The successful candidate will be required to undertake a DBS check and a medical.

Full uniform is provided.

The successful applicant will also be entitled to all employee benefits that Leicestershire County Council offer to its staff.

For all enquiries, please contact 0116 305 6515 or email greg.hensman@leics.gov.uk
